

## BROWARD COUNTY

## OPIOID MEDICATION-ASSISTED TREATMENT (MAT) PROGRAMS

**The Medication Assisted Treatment (MAT) Program** includes a comprehensive care model to treat persons with opioid use disorders that features phased treatment utilizing the following medications:

- Subutex (Buprenorphine),
- Suboxone (Buprenorphine/Naloxone)
- Vivitrol (Naltrexone) extended-release injection to prevent opioid dependence, after opioid detox
